

The top of the page is decorated with a variety of colorful, hand-drawn elements. On the left, there's a green vine with several round, orange, textured ornaments and a pink flower with multiple petals. In the center, there are several small, colorful buttons in shades of pink, blue, and yellow. On the right, there's a large pink flower with a staminal tube, a blue flower, and another orange textured ornament. The text 'OH CREATIVE DAY' is written in a simple, black, sans-serif font across the middle of these decorations.
